Re: Referencing Argue Construction Ltd.

I am pleased to provide a reference for Argue Construction Ltd. This firm has successfully completed four Design Build Paramedic Base Facilities for the County of Renfrew over the past 8 years. The most recent being a 3200 square foot facility in Deep River, Ontario with occupancy taking place in November of 2013. The project came in on schedule and under budget.

Argue Construction Ltd. has shown professionalism, honesty and thoroughness on these projects and a willingness to work with the Owner to maintain a commitment to project quality, schedule and cost.

Should you require any further information feel free to contact me.

Sincerely,

Kevin Valiquette, RPA, FMA
