Hello Shawn,

I wanted to take the time to thank you and your entire team for your efforts in making the construction/renovation of our expanded location in Arnprior as painless as possible! From your initial participation during the design phase to the final closeout and occupancy, yourself, Keith, Dave and Ben can be depended upon to take care of business and to turn out an outstanding renovation and make this a remarkable success!

With the time constraints we had on this project, your team made it a real pleasure. You and your team handled each challenge extremely well, from the tight schedule, to working within the hospital environment with restrictions. From the start of the process to the finish it went very smoothly. I was impressed with the professionalism, pro-active responses, and commitment to details of your team. You have all delivered an amazing customer service.

You all took your work seriously and it shows. Excellent Job Shawn, Keith, Dave and Ben!

Thanks again for everything, it was another wonderful experience to work with each and every one of you!

Sincerely,

Diane Paradis
