

# Material Safety Data Sheet

## Section 1: Product Identification and General Information

Product Name: DUROVENT Rafter Vent

Supplier: ADO Products, 2905 Northwest BLVD Plymouth MN 55441

Contact: ADO Products 800-666-8191

Description: Polystyrene Attic Vent

Date Prepared: 1/5/2014

## Section 2: Composition/Information and General Information

Contents	% by weight	CAS No.	OSHA-PEL
Polystyrene	92-98%	9003-53-6	N/A
Butane	<1%	78-78-4	N/A
Talc	1-2%	N/A	N/A
Color Dye (Polystyrene based)	5 - .25%	N/A	N/A

## Section 3: Health Hazard Information

# Material Safety Data Sheet

This product is not considered hazardous to man or the environment under normal conditions of use. These products are articles as defined by OSHA 29CFR 1910.1200, Canadian WHMIS and the EC Directives.

## Potential Hazards:

Inhalation: material is not considered an inhalation hazard.

Ingestion: may cause irritation of digestive tract. Skin Contact: irritation may occur from prolonged skin contact. Eye contact: solid or dust may cause irritation and redness due to mechanical action.

## Section 4: First-Aid Measures

Inhalation: Remove to fresh air. Get medical attention if necessary

Ingestion: Do not induce vomiting. Get medical attention if necessary Skin Contact: Wash thoroughly with soap and water. Get medical attention if necessary Eye contact: Flush with water. Get medical attention if necessary

## Section 5: Firefighting Measures

Extinguishing Media: Water, foam, dry chemical, carbon dioxide Special Fire-Fighting Procedures: Wear normal firefighting protective equipment such as SCUBA, in building or confined spaces. Unusual Fire and Explosion Hazards: None Hazardous Combustion Products: Burning may produce carbon dioxide, carbon monoxide, polymer fragments, trace amounts of styrene, toxic gases, and smoke.

Section 6: Accidental Release Measures Spill Procedure: Pick up and store as solid waste

Section 7: Handling and Storage There are no special storage or handling procedures required.

## Section 8: Exposure Controls and Personal Protection

Eye Protection: It is a good industrial practice to minimize eye contact.

Respiratory Protection: No special respiratory protection required.

Ventilation: Provide sufficient general ventilation.

Protective Clothing: None required.

# Material Safety Data Sheet

Work and Hygienic Practices: Eyewash and Shower facility should be available. Practice good hygiene and maintain a clean work environment.

## Section 9: Physical and Chemical Properties

Boiling Point: N/A Vapor Density (air =1): N/A Evaporate Rate: N/A Appearance/Odor: Smooth, formed plastic part with minimal odor Flash Point: NA Vapor Pressure: N/A Solubility: The foam is not soluble in water

## Section 10: Stability and Reactivity

Stability: Stable Conditions to Avoid: Storage at temperatures above 120oF, or near a heat source. Incompatibility (material to avoid): None known Hazardous Polymerization: Will not occur

## Section 11: Toxicological Information

High Toxicity: None Local Effects: See sections 3 and 4 Carcinogenicity:

NTP: No IARC Monographs: No OSHA Regulated: No

Section 12: Ecological Information: Generally considered inert.

Section 13: Disposal Considerations Waste Disposal Method: dispose of in accordance with applicable environmental regulations

# Material Safety Data Sheet

## Section 14: Transport Information

US DOT and IATA/ICAO do not regulate these products as hazardous materials for transportation.

## Section 15: Regulatory Information

USEPA SARA 311/312 Hazards Classification: N/A USEPA SARA 313: This product does not contain chemicals subject to the reporting requirements under SARA Title III, Section 313 Hazardous Substance (40 CFR 116): N/A CERCLA Reportable Quantity: N/A Toxic Substances Control Act (TSCA): All ingredients are on the TSCA inventory or do not require listing on the TSCA inventory.

## Section 16: Other information

HMIS Hazard Rating Health – 0 Fire – 1 Reactivity – 0

Disclaimer: The information accumulated herein is believed to be accurate and represents the best data currently available. No warranty, expressed or implied is made and Commodore assumes no legal responsibility or liability resulting from its use. Materials comprising < 1% by weight, or <0.1% by weight if the chemical is a carcinogen are not listed herein.
