To Whom It May Concern:

This will confirm that Argue Construction has successfully completed a \$5,000,000 Design Build contract for the construction of a new, 27,000 sf Agronomy Facility for the Ottawa Hunt & Golf Club Limited. The project was completed within the approved budget, delivered a month ahead of the agreed schedule and the quality of the work was very good.

As Project Director for the Club, I was very pleased with the professionalism of the Argue Construction team from the President, Shawn Argue, to their Project Manager, Gerry Nault, and Site Superintendent, Ben Brandino. Their Chief Estimator, Keith Riley, produced a very high quality, detailed proposal which clearly represented 'best value' of the five responses received by the club.

It was a pleasure working with Argue Construction and I would not hesitate to recommend them to other Owners in the future.

Sincerely,

Dale Craig, P. Eng., ICD.D

Project Director  
Ottawa Hunt & Golf Club Limited
